## 2016 Week 1 Term 4 School Newsletter

Kia Ora everyone and welcome back to school for our final term. We are already busy into the last of the Calf club preparations and still require a lot of help for stalls. Calf Club is on Saturday and our students have put in a huge amount of work to preparing animals, gardens, class items and posters.

The PTA and calf club committee have put in hours of preparation and now we need help to sell cakes, cook hamburgers and serve cups of tea, bake cakes and sweets. We ask each family to fill your paper plate with some home baking and bring it to school on Friday.

Please contact your class representative or look on your classroom window for your roster and put your name in a time slot to help out on this fun day. Otherwise please contact Kathy Clarke or Mark Weaver.

### Heritage Workshops - Calf Club

An important part of who we are as a school is our history and heritage. This year we have introduced a Heritage section to Calf club. It recognises our traditions and history. On Friday all students in years 1-6 will meet with past students (led by Nicky Hobman) to make either a vegetable animal or vaseline saucer. These will be on display in our beautiful library. Students should have brought

home a notice about what to bring on Friday to make their vegetable animal or vaseline saucer. If you would like to come and assist on Friday it would be much appreciated.

### IMPORTANT CALF CLUB NOTICES
