## Sample Guideline for Posters

### Feeding

Draw pictures to go with  
your text

**Include drawings  
or photos of your  
pet / chicken / to  
go with the text**

### Grooming

Plan your poster on a separate piece  
of paper before you start. Utilise the  
whole of the page, be neat and try  
and make it bright and colourful. But  
be careful not to go over the size of  
the poster – Judges don't like this

### Housing

Write on lined paper and  
glue onto your poster if you  
wish – judges love to see  
your handwriting

### Handling

### Importance of cleanliness

**Short Story  
about your  
Chicken / Pet**

Remember your poster contributes to  
50% of your overall mark. So make your  
poster amazing.
